**LIFE WITHOUT COLOR**

Now that Summer has arrived, you should begin thinking about what new colors you can add to your home. Life without color would be so boring. We know that most folks are too worried that they cannot find the right colors so they tend to avoid color all together. Hallco Enterprises

enjoys bringing color to your life. We want you to know that we are here to help! We love color, and are always available to discuss your painting and color needs. If you want to try some bold color changes this season, Hallco is ready to assist in finding the right colors and using the right products!
